April 2010

A community is often defined as a place on the map, but more significantly a community is its people. We live in a community where you can depend on help when you need it; someone to rescue you from fire, find you when you are lost, someone to teach your child to play the drums. Our hope, with each Newsletter, is to connect you with the people and organizations in our community so you will know where to turn when you need a hand or even more importantly where to go when you have a hand to lend.

Uechi-ryu Karate at the Community Centre

A beginner level class offering students the opportunity to work on the basic Karate principals of blocking, kicking, countering and attacking. This, at times, is a high energy class including stretching and flexibility. The class is designed for ages 7 and up, parents and children are welcome to attend together. Presently one class a week is offered, but as students progress that may change to two. All students become members of the Bridgewater Uechi-ryu Karate Academy recognized by Sport Nova Scotia.

Our instructor, Victor Swinimer, has over 30 years experience in the Martial Arts. He began studying in 1977 and started training in Uechi-ryu Karate in 1979. He is presently a 7th Degree Black belt which is a Master level instructor. Classes are Monday evenings 6:30 - 8:00p.m. continuing until the end of May and will resume in September. Call 644-3695 for New Germany Community Centre Classes or 543-9551 Bridgewater for more information.

New Germany and Area Lions Club Update

The New Germany and Area Lions Club will be holding a Salad Plate fundraiser on April 20th. Plates are \$7.00 each. Deliveries will be made before 5 pm that day. Lions will be making calls for orders.

You might be wondering what is happening with the Lions Park. The park benches, picnic tables and waste sorting station were removed from the park last fall for the winter months. We are negotiating with the Department of Transportation and Infrastructure to seek their permission to secure the area for the safety of users. More information will be available in the weeks ahead.

The Club will be celebrating its' 25th Charter on May 12, 2010. The service our organization has provided to New Germany and surrounding communities is evident wherever you look – from the work we have done at schools, nursery schools, halls, and ball fields to the ongoing support we offer with medical aids, bursaries, assisting those who endure sudden hardship; besides all of the many groups that we support annually. Our club signs as you enter the village are only a small reminder of what we represent. Yes, we are proud to be Lions serving our communities. Lion Brenton Wagner and Lion Gilbert Veinot have been Lion Club members for 25 years. We are part of the world's largest service organization.

NG & Area Medical Centre Association News

The Annual General Meeting of the Association took place on March 3/10. A number of Association members indicated their willingness to volunteer as Board members for 2010 and three Executive members were elected by acclamation. Currently the position of President is vacant. The Audited Financial Reports for 2009 were presented and approved. Included is a summary of the Revenue and Expenditures for the Year Ended December 31, 2009.

The Medical Centre has now been in operation for almost 17 years. During that time we have been fortunate to have had volunteers from the community to serve on the Board and carry out the tasks to keep the Centre operational. Many of the current Board of Directors have been volunteering on behalf of the Association for a long time. We need new people to offer their time to keep this Centre operating for the benefit of the residents of this area. The individual time commitment is not great, especially if we have enough Board members to share the load.

This is an appeal for help from members of this community to serve on the Board. Please come to a Board meeting if you are at all interested in serving on the Board to see what we do. We meet on the first Wednesday of the month, at the Rosedale Home for Special Care at 7:00 pm. As well, feel free to contact one of the Board Executive if you have any questions.

Profile -Hillcrest Lodge # 93

Hillcrest Lodge # 93 received its charter to establish a Masonic Lodge at New Germany in 1921.

In the Lunenburg/Queen's District there are nine lodges which work closely together.

We are located on the upper level of our Lodge Hall at 4978 Highway 10, New Germany. We meet on the first Thursday of every month except July and August. The Rosedale New Horizon Seniors Club occupies the ground floor level. Our site is used by the inter-church soup kitchen during the season of Lent. It also serves as an emergency evacuation site for the Rosedale Home for Special Care.

The Masonic Lodges in Nova Scotia operate under the jurisdiction of the Grand Lodge of Nova Scotia.

The purpose of the Lodge is to bring men of all races, creeds and religion together in a fraternity to assist each other, their widows and orphans and others in their community and to improve themselves. The role of a Mason is to be an outstanding member of their community. To be eligible to become a member you must be a man free born, twenty one years of age, be of good character and believe in a supreme being.

By being a member of a Masonic Lodge you can advance to the position of a "shiner" who are noted for their care of sick children and burn victims.

Over the years Hillcrest Lodge # 93 has provided financial assistance in the local area by furnishing a room at the Rosedale Home for Special Care, the blue room, and furnishing a room at the South Shore Regional Hospital.

By participating in the shared funding and bursary program with our Grand Lodge, we have assisted the 1st New Germany Scout Movement enabling them to attend various international and national jamborees; a local Girl Guide who attended an international jamboree in Ontario, as well as the Autism Centre Society of the South Shore. On an annual basis we continue to provide a \$500 bursary to a worthy student at New Germany Rural High which doubles if the recipient attends St. Mary's University.

By working with our District Lodges and in conjunction with the Grand Lodge of Nova Scotia we have been able to financially assist the North Queen's Rural High School following their devastating fire loss, Bonnie Lea Farm to purchase a new wheel chair accessible bus, and a Western Shore child who was born deaf to obtain a cochlear ear implant.

Although our membership is small we can accomplish great things in tandem with others when a genuine need arises.

The New Germany Rural High School Drama Club is busy preparing for their major production, the comic thriller, The Hound of the Baskervilles. Directed by Hester Gibson, this year's group is made up of approximately 40 students from grades seven to twelve. Volunteers include Bob Mertens who is creating amazing sets and Catherine Mertens working on period costumes for the late 19th century. The success of past productions owes much of the credit to the entire Mertens family. Howard Gibson is volunteering to assist with lighting, props, and a general all-purpose fixer-upper.

The graduating actors this year include Alana Barry, Janelle Dorey, Taylor Forrest, Reba Lowe, Ryan Porter, and Becca Veinot. Alana, Janelle and Reba are "lifers", students who have participated in theatre for all six years of their high school career.

Set in the dark and murky moors of 19th century England, Holmes and Watson attempt to solve the mysterious death of Sir Charles Baskervilles, apparently due to a family curse which has killed many of the Baskervilles. Sir Charles's young nephew, Sir Henry, arrives from America to claim his inheritance and seek the ending of the curse. With visual, lighting, and sound effects being essential to the production, the stage crew behind the scenes will be critical.

Janelle Dorey has worked as stage crew, sound technician and stage manager for various productions and her back stage direction will be key.

Drama Club members come from diverse backgrounds and have unique perspectives. Their love of performance makes their work on stage seem simple but countless hours go into the preparation of a show that ends in an hour and a half. This year's production will feature many sets, talking words, henchmen, maidens, the screaming of the HOUND, lighting special effects and much, much more. Admission is \$7.00 for adults and \$5.00 for students.

Join the Drama Club at the NGRHS auditorium 7:00p.m. Thursday May 6th, Friday May 7th, Saturday May 8th, as well as a 2:00p.m. matinee on Saturday. Live theatre always adds additional humour as humans rarely do the same things twice, even when they are supposed to. Come out and support a group of teens who work hard and deserve to be encouraged for their efforts.

Well Woman's Clinic

New Germany's Well Woman's Clinic will be held on Saturday June 5th at the New Germany & Area Medical Centre. This is the 14th year for the clinic first organized by Ardythe Wildsmith, Ruth Carver, Nora Nauss, Ann Wynn, and Barb Hilbert. In 2010 it continues to be planned by a committee of volunteers and supported by South Shore Health, Capital Health, local church & Ladies Auxiliary groups, and the New Germany & Area Lions Club. Generally about six Nurse Practitioners participate. In 2009, 86 women attended the clinic having pap smears taken and receiving information on breast health. Some of the comments from last year's clinic include "excellent service, thank-you, very helpful and professional".

Women can self-refer to this clinic and do not need a family doctor or nurse practitioner. Appointments for a pap test can be made by calling Jackie Eisner @ 644-2575 one month (May 5th) prior to clinic.

The mobile Mammogram Clinic will also be at the Medical Centre from May 31st to June 5th. Women over the age of 40 can self-refer for a mammogram by calling N.S. Breast Screening Program at 1-800-565-0548 one month prior to the start date to schedule an appointment, also May 5th. You will need your N.S. Health card number to make either appointment.

Did you know that "pap test" is also called the "Papanicolaou test" named for the Greek doctor, Georgios Papanicolaou, who invented the test ?

Congratulations to former New Canada resident **Kim Barlow** for her JUNO nomination in the Roots & Traditional Album of the Year - Group.

Kim, playing clawhammer, banjo, and vocal, is a member of the new group Annie Lou; the self titled album is their first. From the JUNO web site "This fine acoustic album showcases outstanding songwriting and musicianship, and while drawing on the traditions of old time music, Annie Lou offers up an exciting new sound that sits comfortably alongside the best of contemporary Canadian roots music."

The group are Yukon singer/songwriters.
